CITY OF UTQIAGVIK PROCLAMATION OF EMERGENCY ORDER #EO-05 IN RESPONSE TO COVID-19

ISSUED BY THE MAYOR OF CITY OF UTQIAGVIK ("CITY") PURSUANT TO CITY OF UTQIAGVIK ORDINANCE 2.12.100.

The COVID-19 pandemic has generated a public health emergency that still threatens to overwhelm the health system of the entire State of Alaska. The City now has its first reported COVID-19 resident. Furthermore, the City has limited health resources, and we must continue to take steps to slow and contain the threat; such steps require coordinated community action. This Emergency Order #EO-05 is issued to preserve the health and safety of our community.

At the beginning of this pandemic, not much was known about the transmission of COVID-19, nor the efficacy of cloth masks in preventing its spread. Due to the need to limit medical masks for medical use and the uncertainty about the usefulness of alternatives, early recommendations did not advise face coverings for the general public. But the scientific and medical communities now recommend the use of cloth facing coverings, as recent studies indicate masks can greatly help reduce the spread of the virus. This is because a significant number of individuals with COVID-19 are capable of transmitting the disease to others before (or without) showing any symptoms, through everyday activities such as talking in close quarters. Based on this information, the CDC now recommends wearing cloth face masks coverings in indoor public settings where other social distancing measures are difficult to maintain. In line with this recommendation, the City puts forth this additional order to preserve the health and safety of the community of Utqiagvik.

PURSUANT TO THE AUTHORITY GRANTED TO ME BY THE CITY COUNCIL UNDER ORDINANCE #11-2020, I HEREBY PROCLAIM THE FOLLOWING EMERGENCY REGULATIONS TO BE EFFECTIVE AS OF 9:00 A.M. ON WEDNESDAY, SEPTEMBER 23, 2020, TO PRESERVE LIFE IN AND ADJACENT TO THE CITY. THE FOLLOWING EMERGENCY REGULATIONS HAVE THE POWER OF LAW, SHALL REMAIN IN EFFECT UNTIL 11:59 P.M., ON OCTOBER 21, 2020, OR TO RESCIND SUCH EMERGENCY REGULATIONS IF THE COVID-19 PUBLIC HEALTH EMERGENCY ABATES.

On the limited occasions when residents leave their home, residents are mandated to wear masks or cloth face coverings over their noses and mouths when they are indoor in public settings or communal spaces outside the home, and should maintain social distancing of at least 6 feet from any person outside their household whenever possible. This Order is subject to the conditions and exceptions stated below.
2. The indoor settings included in this Order include, but are not limited to, the public and communal spaces within the following:

- I. Individuals performing an activity that cannot be safely conducted while wearing a mask (for example, a driver experiencing foggy glasses, an equipment operator using heavy equipment with a risk of tangling the mask); and

 7. Employers will not be subject to fines based on non-compliance by customers so long as there is a clearly posted sign informing customers that they are required to wear face coverings. Brief removal of a face covering, such as is necessary to eat, drink, or scratch an itch does not constitute a violation of this Order (although hand washing/sanitizing is recommended after such activities). Additionally, violation of this Order does not create grounds for residents to harass individuals who do not comply with it.
