To Whom It May Concern:

The North Slope Borough Health Board is seeking a Barrow resident to serve as a Health Board Primary member. The Health Board is comprised of one representative and one alternate from every community on the North Slope.

We are seeking a community member who is active in the community but is not necessarily a DHSS employee. Although we currently have North Slope Borough DHSS employees as Health Board members, we would like to encourage village residents who may not have a connection to direct healthcare delivery. A resident who is outside the healthcare delivery system would provide a consumer view point which could increase community advocacy.

For your convenience, a sample letter of interest is attached for any interested resident to complete and submit to the City Council. Your City Council will decide which member of the community to nominate for the primary position. Next, the nomination should be directed to Muriel Brower, MPA, Director, Department of Health and Social Services through a letter from your office. I will then forward the nomination to North Slope Borough Mayor Harry K. Brower, Jr. for his consideration. After review, Mayor Brower will forward the nomination to the Assembly for confirmation.

Thank you for your diligence in the process of filling seats of the Health Board for the community of Utqiagvik.

Sincerely,

Muriel K. Brower, MPA, MPH,
