Utqiagvik City Council members:

I am writing to submit this letter of interest to the Utqiagvik City Council to continue to serve on the Iñisaġvik Board of Trustees, Utqiagvik seat. I have served on the Board since 2021, and would like to continue to be an advocate for the our only tribal College in Alaska. It has been an exciting two years with the Board, seeing the progress made especially in the area of the new college campus, and the re-opening of the campus to dorm students, after a hiatus with campus closures due to COVID. I wholeheartedly believe in Iñisaġvik's mission and vision, "to help build strong communities through education and training."

I would like to continue to serve in the capacity of Board of Trustee and will do so, if given the chance, honorably and ethically.

Very Respectfully,

Heather Dingman
