Dear Parents & Players,

Thank you for your interest and support in the 2024 Little Dribblers Program. We appreciate your participation and are excited to announce that this year, the program fees have been waived. This decision was made to ensure that as many children as possible can take part in this wonderful program.

In comparison to last year, we have extended the program to approximately 15 weeks in length. This includes two weeklong breaks for the High School Regionals & State Tournament. We understand that many families travel to support our Whalers Basketball team during these events, and we wanted to accommodate their schedules as well.

Additionally, we have some exciting news to share. We are currently in the process of reaching out to other North Slope communities to organize a Senior League tournament at the end of the season. We have already initiated communication with other villages and are working towards making this a reality.

The primary goal of the Little Dribblers program remains the same: to provide a positive environment for our youth to participate in healthy activities and develop their social skills. We believe that sports can play a crucial role in the growth and development of our children, and we are committed to creating a supportive and inclusive environment for everyone involved.

If you have any questions or concerns, please do not hesitate to reach out to us. You can email us at information@utqiagvik.us or call us at 907-852-5211. We are here to assist you and provide any necessary information.

Thank you once again for your interest and support. We look forward to a successful and enjoyable season with all of you.

Quyanakpak!
