Utqiagvik Capital Improvement Projects Priority Survey

North Slope Borough has asked the City of Utqiagvik Council to submit a list of priorities for their Capital Improvement Projects for 2024. Below is the list of possible projects based on the NSB Six-year Plan and we need your help prioritizing these projects before we submit a resolution by January 20th.

Please rate 1 – 5

1 Being the highest priority and **5** being the least priority.

___ Water and Sewer

___ Utilidor & Pump Station Upgrades

___ BUS Service Upgrades

___ East Barrow lot roads

___ Narl Gas Pipeline

___ IPK & HMS Maintenance upgrades

___ 911 upgrades

___ New PSO/Jail Infrastructure

___ New Iļisaġvik College Campus

___ New Wildlife Infrastructure

___ Utqiagvik Heavy Equipment

___ Consolidated Administration Building

In this last question please use your words to best describe your answer.

In your opinion what needs improvement in Utqiagvik? What is owned or can be leased by the North Slope Borough that can be improved upon? And how would you rate it?

Please submit survey to information@utqiagvik.us
