COU-BUECI MOU

MOU is under development for the City to Adopt the Power Grid as City Critical Infrastructure. This would then permit the COU-BUECI team to pursue NPRA funding to support the Utility's growing power, water and sewer infrastructure needs, to modernize current systems and pursue new subdivision developments.

Potential COU-BUECI Projects (updated monthly):

1. **Switchgear Replacement:** The most pressing project needing immediate attention is the Switchgear replacement, which will be pursued as a 3-way request between the City NPRA, ICAS DOE grant and NSB CIPM funding request.
2. **CNG station renovation:** BUECI vehicles have CNG station needs to be rebuilt. BUECI engines using CNG cost $\frac{1}{3}$ to run. Option for the City to convert its vehicle fleet to this cheaper and more environmentally friendly and local fuel, and to inspire other entities.
3. **Transformer recycling,** NPRA funding would be eligible for planning the recycling activities. Subsequently, if the transformers can be listed as an environmental hazard, they could be transported to a recycling facility, if and when they are shown to directly impinge on the interests or plans of the COU.

NPRA GRANTS

The NPRA Round 2 grants is due March 15th, 2024.

Potential NPRA projects:

- **Cemetery Management Project:** Objective of this project is to address the needs of the Barrow Cemetery, which is need for: (a) drainage control, (b) access roads, (c) burial plot management and planning, (d) maintenance plan, (e) climate impact resiliency planning, (f) beautification, etc. A project plan and budget is being developed for a 2 phase project having (A) Design/Plan/Permitting and (B) Construction.
- **COU Housing Master Plan:** A Housing Master Plan is the first step to developing the Nunavak Bay Subdivision (Plat No. 91-18). Through a comprehensive and strategic housing program, this NRPA grant would fund the development of the plan, survey, roads, utilities and identify funding for 200 new homes in Barrow.
- **Piuraagvik Expansion and Piuraagvik Redesign:** Address concerns from prior declination and resubmit.
- Other... as discussed and proposed by council.

NSB Health Equity Grant

Thank you for your consideration.
