The estimated value if sold is \$1,100. This case was a result of cooperation with another law enforcement group in Anchorage.

During the month there were 0 incidents where drugs were seized and placed into evidence.

Note: these figures presented are only on cases that are closed and forwarded for prosecution; they don't include active investigations or joint investigations with other agencies.

The Police Department encourages the willingness of citizens to assist us in the "War On Drugs" campaign. The majority of the information gathered comes from YOU. We encourage all community members to report illegal use or sale of drugs and alcohol in our villages, to either the local Police Department, Police Dispatch 907-852-6111, or the Hotline at 1-800-478-3784.

With this effort, together we can stop the illegal sale of alcohol or drugs.

Community Involvement:

On January 26, 2024, multiple officers were present at Ipalook Elementary School for an emergency drill. The Police Department strives to keep a healthy working relationship with the schools in our community for the safety of our children.
