CITY OF UTQIAGVIK Office,

On March 6th – March 11th 2024 in California, some of the Barrow youth will be traveling with an Anchorage All Star team the "AK Rivals United". March trip to California will include Scot, Aaron, Va'asili, Andrew, Trevor and Opie. Each have been selected by their skills in Basketball.

This is a great opportunity for our Barrow youth to showcase their basketball skills and play against some very competitive basketball teams. These types of trips not only help mold them into better teammates but also more flexible and open minded individually. I try and help our youth become not only coachable but teach them life lessons through the game of basketball. The boys are seeking monetary donations to help with the costs of player fee, hotel, and food.

Below is our budget and list of travelers for the trips. Any donation given would be greatly appreciated.
