PUBLIC NOTICE

Our Taxicab Department aims to provide enhanced services to better serve our community. To help with the complaints our office receives from our community, we would like to inform you of a process that will better help us respond to and take action on taxicab complaints.

When you are submitting a complaint, it is very crucial that you know the cab driver's number that is assigned to him/her (*example: City Cab C-15*).

When knowing the cab driver's assigned number, it helps us take proper action on the correct driver. All taxi drivers have their cab numbers outside on both sides of their vehicle as well inside on their dashboard where their chauffeur license is posted.

You can find our taxicab complaint form on our City of Utqiagvik website or visit our office. <https://www.utqiagvik.us/forms/>
